Profile Summary

B.Tech Computer Science and Engineering student with strong skills in coding, web development, and problem-solving. Passionate about building efficient, user-centric applications using modern technologies such as AI, data-driven systems, and cloud computing. Eager to learn from industry professionals, collaborate on challenging projects, and deliver impactful digital solutions

Education

- **Bachelor of Technology (COMPUTER SCIENCE & ENGINEERING)** 2023–2027
Chandigarh Engineering College, Jhanjeri,
CGPA: 7.5/10
- **Senior Secondary School Education**
DAV Public School Medical Unit Gaya, Bihar 2022
Percentage: 60 %
- **Secondary School Education**
DAV Public School Medical Unit Gaya, Bihar 2020
Percentage: 62%

Internship Experience

Web Development Intern — BlinkSkills Training Institute

- Learned and applied front-end web development concepts including HTML, CSS, and JavaScript
- Designed and developed responsive web pages and UI layouts
- Practiced debugging and browser inspection tools (Chrome DevTools)
- Understood website structure, hosting basics, and workflow of real web projects
- Completed internship training with 93% assessment performance

Projects

Portfolio Website – Designed and developed a responsive personal portfolio using HTML, CSS, and JavaScript.

- Designed a clean and interactive user interface to showcase projects and technical skills.
- Ensured mobile responsiveness and cross-browser compatibility.
- Implemented basic JavaScript features to enhance user interaction and performance.

Library Management System – Created a CRUD-based Java application with SQL integration for data handling.

- Developed a CRUD-based application using Java for efficient library operations.
- Integrated SQL database for storing and managing book and user records.
- Implemented features such as adding, updating, deleting, and searching books.
- Designed structured database queries to ensure accurate and secure data handling.

Skills

- Web Development

- Data Structures & Algorithms (DSA)
- Database Management
- Cloud & DevOps Basics
- Problem-Solving & Competitive Coding
- Version Control (Git, GitHub)

Achievements / Participation

- Awarded a 30% tuition fee scholarship by Chandigarh group of colleges, Mohali , for academic excellence.
- Recognized for achieving one of the highest attendance in department, demonstrating consistency, dedication and strong work ethic.

Certifications

- **AWS Academy Graduate** – Generative AI Foundations. [↗](#)
- **Google Learning Platform** - "Create Engaging Video with Google Vids". [↗](#)
- **Google Learning Platform** - Machine Learning Using Python. [↗](#)
- **Microsoft** - Get Started with Data Science in Microsoft Fabric. [↗](#)
